

OVERNIGHT STABLING POLICY

- Overnight stabling is available if space permits.
- We require any horse coming onto the yard for overnight stabling to have up to date vaccinations.
- We can provide feed if owners are happy with our feed regime. If anything specific, then to be provided by owner. (Feed regime to be discussed at time of booking)
- Haylage can be provided. If owner wishes for anything specific, then to be provided by owner.
- Turnout may be available. To be discussed at time of booking.
- Ingestre Stables veterinary practice is Pool House. For any emergency needs, we will use Pool House, after consultation with owner. If we cannot contact owner, then we may go ahead with veterinary intervention if needed for the welfare of the horse. Any vets bills will be invoiced to the owner.
- Farrier services can be arranged with Ingestre Stables farrier. All farrier charges will be invoiced to the owner.
